BUS NETWORK RIDERSHIP | JAN'19 – DEC'22

Building a cycling city

- Existing cycling network
- ⋯ Existing shared path for bikes and pedestrian
- Completion of Minimum grid

Completion of the **minimum grid** of safe and separated cycling infrastructures as planned by the Tirana Cycling Vision Document (2016) and further updated by the Municipality.

Building a cycling city starts with children

1ST Cycling school built in Tirana

Tirana School Streets Pilot Program

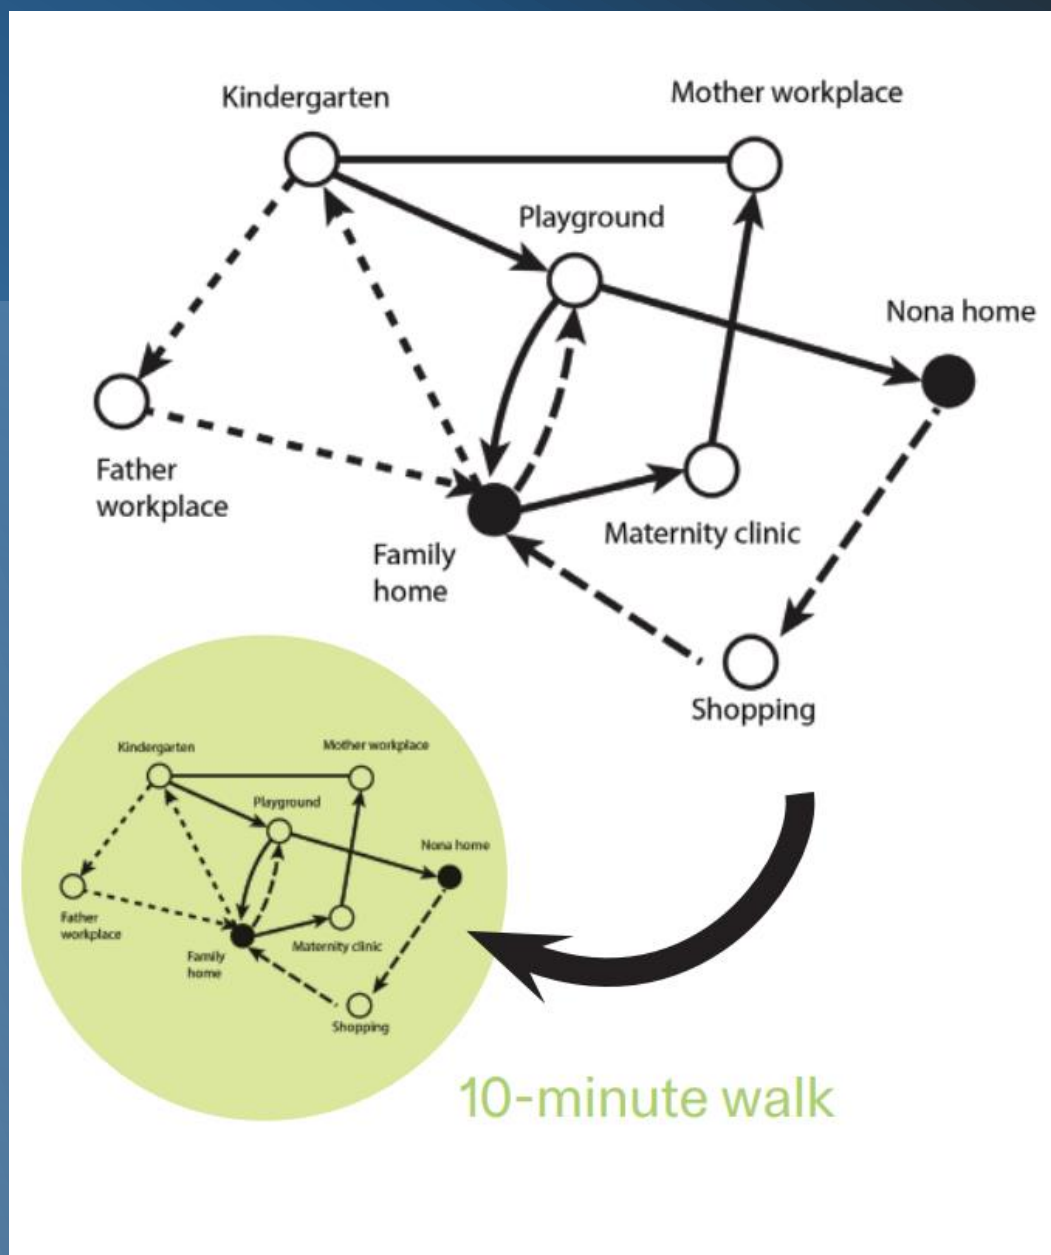

Rrugët
për
Fëmijët

“Festa N’ Rrugë” is a pop-up school street party hosted by QM and Bashkia Tirana. Open streets take the public beyond imagining and into the realm of the directly experiencing another possibility for how the city can be used.

A new buffer of protected walking space painted with games at Gjon Buzuku School.
