Transport and Climate Change Week

21 – 25 June 2021

Part of the mission of the TRANSfer project implemented by GIZ and funded by the International Climate Initiative (IKI) of the German Federal Ministry for the Environment, Nature Conservation and Nuclear Safety.

CHANGING TRANSPORT
Facilitating climate actions in mobility

giz Deutsche Gesellschaft
für Internationale
Zusammenarbeit (GIZ) GmbH

On behalf of:

of the Federal Republic of Germany

Join THE global dialogue on changing transport, boost your knowledge and gain new impulses for cooperation.

The Transport and Climate Change Week delivers capacity building and training as well as exchange and in-depth discussions. It fosters peer exchange among government officials from around the globe and internationally renowned experts on sustainable mobility solutions.

The event is constantly growing with each edition and has established itself as a unique exchange in the transport sector.

Topics 2021:

- **Enhancing climate actions and ambition in transport**
- **Green recovery in the transport sector**
- **Digitalisation**

Virtual Fair and Changing Transport Showtime

21 – 25 June 2021

Virtual Knowledge Fair

Showcase your best practices, experiences, achievements, innovations and ideas to all participants of the Transport Week! – become part of this year's **Virtual Fair**

Be one of the various actors putting a spotlight on how they are changing transport within the eventplatform of the Transport Week 2021!

- Donor: Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU), International Climate Initiative (IKI)
- Countries
- Stakeholder (Partner organisations, Industry, NGOs, Academia Initiatives, Civil Society, Think Tanks, ...)

Use **multimedia content** (videos, photos, interviews, presentation, articles, ...)!

Offer **consultation hours** to get in contact with interested participants!

Become one of the selected actors **pitching** in the „**Changing Transport Showtime**“!

Changing Transport Showtime

Become a guest or contributor in the „**Changing Transport Showtime**“ and interact with other stakeholders and participants!

- Knowledge-sharing event designed to **showcase countries' and stakeholders'** experiences, achievements and innovations – **live and interactive**
- Blending **Live-broadcast and recorded features**, incl.
 - **Country presentations:** interviews, mini-documentary or slides, ca. 5min each
 - **Private sector pitches:** companies submit a 5 min video about their innovative mobility service, product or application that helps transport decarbonisation in a post-COVID19 world
 - **Voices** from **civil society** organisations and **think tanks**
- Thematic orientation by Avoid-Shift-Improve
 - 22 June 2021 – How are you contributing to transport system and behaviour improvements that help to **reduce transport demand**?
 - 23 June 2021 – How are you contributing to **shift** transport flows towards the most climate-friendly modes of transport?
 - 24 June 2021 – How are you contributing to **improve** the carbon footprint of vehicles and fuels?

Expert Clinics – 23 June, 2021

The expert clinic allows country delegations to consult privately with **top-rated international experts** on public transport, financing and non-motorised transport.

- Each expert will be available for several rounds of consultation, so that multiple countries get the chance to talk to him/her

- In a 45 minute session, the delegates of a country can seek qualified advice on any aspect of promoting a climate-friendly modal shift

- Topics such as **cycling, walking, public transport, informal transport, infrastructure financing** or **multimodal freight** are covered.
