The **sustainable urban mobility plan (SUMP)** for the Canton of Sarajevo and the City of Sarajevo was designed and developed supported by **GIZ** - **Deutsche Gesellschaft für Internationale Zusammenarbeit**, to be the strategic direction of the Canton and the City in terms of progress towards modern concepts of urban mobility for the period 2019 - 2025 and represents the first integral plan of its kind in the Canton of Sarajevo.

Ongoing preparations for **new SUMP for the period 2026 - 2030**.

Sarajevo is in the EU's "**100 Climate-Neutral and Smart Cities by 2030**" mission. Although Bosnia and Herzegovina is not an EU member state, Sarajevo is one of 12 non-EU cities included in the initiative, chosen from a pool of 377 applicants.

Sarajevo, Bosnia and Herzegovina's capital city surrounded by mountains and diverse heritage, joined **EBRD Green Cities** in November 2018.

Study on **Climate-Resilient Infrastructure for Sustainable Urban Mobility** in Sarajevo, supported by GIZ
